Re Baltimore letter to Bureau dated 1/19/49, regarding the possibility of obtaining additional typewritten specimens pertinent to this case from the correspondence between ALGER HISS and EDWARD WILLIAM CASE, real estate agent of Westminster, Maryland.

The results of such investigation by the Baltimore Office are set out in the report of SA WILLIAM C. PFEIFFER, dated 1/28/49 at Baltimore. Such investigation has developed that there was probably only one typewritten letter from HISS to ^{EDWARD W.} CASE, that letter being dated 5/28/36, beginning, "I have delayed answering your letter" and ending ". . . . it will not inconvenience you to keep them until then." A photostatic copy of this letter was enclosed to the Bureau with the report of SA H. EDGAR LENTZ, dated 9/10/48, at Baltimore, in the case entitled, "J. D. WHITTAKER CHAMBERS, wa; ALGER HISS; PERJURY," Baltimore file 74-6. *signed Alger Hiss*

K391.

It is requested that the Laboratory compare the photostatic copy of the above described letter with the questioned documents in instant case. It is possible that the Laboratory, even in the absence of the original, may be able to determine whether there is any possibility that this letter could have been written on the same typewriter as the questioned documents. If such determination cannot be made and this letter cannot be positively eliminated by the Laboratory without access to the original, the New York Office may be able to obtain the original which is believed to be presently in the possession of Mr. EDWARD C. McLEAN, attorney for ALGER HISS, who is associated with the law firm, Debevoise, Plimpton, and McLean of New York City. The original letter was probably forwarded to Mr. McLean by Mr. WILLIAM L. MARBURY, Baltimore attorney for HISS.

The examination is requested as outlined herein because Mr. MARBURY has already told Baltimore agents that if he had the original letter, he did not think he would turn it over to the Bureau and, likewise, would not accommodate the Bureau if he were in Mr. McLEAN's position. Accordingly, if the Laboratory can make a satisfactory identification or elimination by using the photostatic copy which is already available, no need will arise to make a possible issue of obtaining the original.

Rebutel to all SAC'S dated 1-11-49, and
teletype from Kansas City dated 1-25-49. ~~RECEIVED RECORDING~~ *B*

Referenced teletype from Kansas City reflects that O. S. TREGLER, Ozark Typewriter Company, Springfield, Missouri, advised that he had sold Woodstock typewriter No. 5N172213E to DON MATTHEWS, Yellville, Arkansas, on February 10, 1940. The Kansas City Field Office requested that this office locate this typewriter and obtain specimens of the type of the machine.

K 392. Mr. DON MATTHEWS, editor of the Mountain Echo, Yellville, Arkansas, produced records which reflect that he purchased the above mentioned typewriter from the Ozark Typewriter Company, Springfield, Missouri, through Mr. O. S. TRAYLOR on May 27, 1936. Mr. MATTHEWS stated he has purchased typewriters from Mr. TRAYLOR on various occasions, and that ordinarily the purchase price of the typewriters secured by him has been paid off in advertising in the Mountain Echo. Mr. MATTHEWS stated that the most recent typewriter purchase made by him was that of Woodstock typewriter No. N529067 which he purchased June 20, 1939.

He stated that typewriter No. 5N172213E was presented by him to his daughter, Mrs. GLENN PYE, either on July 14, 1937 or sometime in 1939. Mr. MATTHEWS stated that his daughter maintained typewriter No. 5N172213E at his residence in Yellville, Arkansas since the time he presented it to her, and that it has never been in the possession of any person outside his family. He declared that he had purchased this typewriter with the understanding that it was a new typewriter, and that it had never been used by any other individuals, and was not a reconditioned typewriter.

Specimens of the type of Woodstock typewriter No. 5N172213E were taken from this typewriter and are being forwarded herewith to the Bureau Laboratory for comparison with known type-writing specimens of the typewriter that is believed to have formerly been in the possession of ALGER and PRISCILLA HISS, as is indicated in referenced teletype from the Bureau.

Enclosed herewith are three pages of typewriter specimens from a Woodstock typewriter, property of Rev. Father JAMES FINLEY, St. Lawrence Catholic Church, Minneapolis, Minnesota, which is in the possession of MRS. FRANK BOWEN, 54 Beach Street, Jersey City, New Jersey. A thorough examination of this typewriter has failed to reveal a serial number.

It is requested that these specimens be compared with the documents available in the captioned case. A copy of the Laboratory report should be furnished the New York and Washington Field Offices.

It is pointed out that the ratchet mechanism for line spacing is broken on the typewriter, which accounts for the unevenness of spacing between the lines. It is also noted that the letter "e" on the typewriter will not make a legible impression.

During the present interrogation of Chambers he has furnished the following information which concerns his obtaining photos of blueprints of submarines in 1933 from persons connected with the Electric Boat Company at New London, Connecticut.

Chambers states that sometime in 1933, with the approval of "Ulrich" his superior in Soviet Intelligence, he went to New Haven, Connecticut, with "J. Peters" who introduced him to one "Wofsie," who has since been identified by Chambers as Isadore Wofsie, formerly state chairman of the Communist Party in Connecticut, and presently employed by the "Morning Freiheit." Wofsie drove Chambers to New London and introduced him to "an Italian Communist," whose name he recalled as something like "Mariano," who was employed by the Electric Boat Company. (New York teletype dated 1-20-48)

Mariano is believed to be identical with Joseph Giuliatti, with aliases, Joseph Guilietti, Guiseppo Guilietti, Guiseppo Giuliatti and Joe Joliet, who was a subject in an espionage case in connection with obtaining blueprints from the Electric Boat Company at New London, Connecticut, the investigation concerning which was conducted in 1934. This case was closed without prosecution on July 3, 1934. Guilietti is now employed at the U. S. Navy Underwater Sound Laboratory at New London, having been cleared by the Civil Service Commission at Boston on July 1, 1948. (New Haven teletype January 27, 1949) (62-31468-7-13)

"Mariano" advised Chambers that he could, and allegedly did, secure blueprints of submarines. He also stated that any plans he could not himself obtain, would be secured by one "Darrow," whom Chambers also met. (New York teletype dated 1-20-48)

Darrow has been identified as Clayton B. Darrow, now deceased, who furnished information to the New York Office in the espionage case previously referred to concerning Joseph Giuliatti and the Electric Boat Company. (New Haven teletype dated 1-27-49) (62-31468-7-8)

After the initial meeting Chambers reported his success to "Ulrich," who ordered him to take a Leica camera on his next trip to New London and photograph the blueprints. This Chambers did, photographing material made available by "Mariano" in the latter's home. None of these photographs came out and as a result "Ulrich" made arrangements for one "Frank," an expert in photography who has not been identified, to handle the New London contact. He

introduced "Mariano" as ~~"Raymond"~~ to ~~"Frank."~~ Chambers stated that he then dropped out of the operation. He recalls, however, that "Mariano" and "Darrow" came to New York once for a meeting at the Hotel Therese at which Chambers was present, which was arranged between them and "Ulrich." It was Chambers' recollection that Darrow reported his part in the operation to the local American Legion Officers in New London, Connecticut. Chambers stated that he had the impression, probably obtained from conversation with "J. Peters," that the Electric Boat venture was not very productive. (New York teletype dated 1-20-49)

The following data appears to partially substantiate Chambers' statements regarding this matter.

In April, 1934, Clayton B. Darrow, an employee of the Electric Boat Company at New London, Connecticut, advised Agents of the New York Division that about two years previous at the instigation of Joseph Jiuletti, a fellow employee, he secretly carried a blueprint from the plant and gave it to Jiuletti, who he believed, gave it to a man known as ~~"Jack."~~ (62-31468-7)

In a later statement dated May 4, 1934, Darrow admitted taking about twelve blueprints from the plant for "Joe Joliet" (Jiuletti) who furnished them to one ~~"Eugene."~~ Darrow saw "Eugene" several times and on one occasion he, Darrow, ~~"Went to New York with 'Joliet'"~~ on tickets furnished by "Jack" (Eugene) where he met the "chief" and presented some plans of my own to him in a hotel on 125th Street." Darrow stated that he later met a new contact man in place of "Eugene," who was identified only as having a vivid scar on his upper lip, continuing around the right corner of his mouth. (62-31468-8)

In his statements to Agents of the New York Office, Darrow indicated that Zachary ~~Baranoff~~ and Frank W. ~~Draminski~~, employees of the Electric Boat Company, were also involved in obtaining material from the plant. (62-31468-7)

In further verification of this operation, Chambers was asked on January 25, 1949, by New York Agents as to the cover name he used. Without hesitation he replied, "Eugene." The facts furnished the New York Division by Darrow in 1934 were discussed with Chambers. He stated that Darrow had elaborated some of the facts beyond recognition, and stated further that he had no knowledge of the existence of a Communist Party cell in the Electric Boat Company in 1934. He stated he knew only "the Italian" (believed to be Joseph ~~Jiuletti~~) and Darrow. The latter died of natural causes February 17, 1940. Chambers stated, however, that Zachary Baranoff, Dudley ~~Chapman~~ and Frank ~~Framinsky~~ (Draminski) who were subjects in the original Electric Boat Company case, are known to him. (New York teletype dated 1-26-49)

In the teletype to the Bureau dated January 27, 1949, pertaining to the Electric Boat Company case, the New Haven Division inquired concerning the desirability of having Zachary Baranoff interviewed. The Bureau files reflect that a loyalty investigation was conducted on Baranoff in June and July, of 1948. This investigation was based on a charge that Baranoff had been a member of Lodge #3029 of the International Workers Order during the years 1946 and 1947. The investigation disclosed that while Baranoff resided in New London, Connecticut,

he had corresponded with the Russian National Mutual Aid Society of America, 629 Chestnut Street, Philadelphia, Pennsylvania. It was further disclosed in the records of the Electric Boat Company, where Baranoff was employed from 1925 to 1936, that he was at one time under suspicion for possible "Red activities." However, the records at the Electric Boat Company do not indicate that the allegation was ever substantiated, or give the source of the allegation. No additional information was disclosed in the investigation which would reflect against Baranoff's loyalty to the United States. (121-8474-11-13)

By teletype dated January 31, 1949, the New York Division requested that Joseph Guiletti be thoroughly interviewed unless the Bureau advised to the contrary.

ACTION:

It is recommended that Joseph Guiletti, Zachary Baranoff, Frank Draminski, and Dudley Chapman be thoroughly interviewed for any information which may assist in the development of instant case. If you agree, there is attached herewith a teletype to the New York Division, with copies to Boston and New Haven, authorizing such interviews, and instructing that they be carried out simultaneously.

Enclosed herewith are two letters, one letter written on the stationery of the Civilian Defense, Georgetown Area, and is dated July 23, 1942, addressed to Mr. JAMES JARDINE, and signed ELIZABETH DRAPER. The other letter is addressed to Mr. W. H. GILL, dated January 20, 1945, and is unsigned. This is a carbon copy of the original letter.

You are requested to search the typing appearing in these letters against the known typing of the Woodstock Typewriter used to type questioned documents.

DEFERRED RECORDING

These letters were obtained from Mrs. HENRY DRAPER (ELIZABETH DRAPER), 1521 - 35th Street, N. W., for many years president of the Georgetown Progressive Citizens Association, by Special Agents DONALD D. CONNORS and THOMAS J. BARRY, on January 31, 1949.

Mrs. DRAPER has advised that she has a faint recollection that PRISCILLA HISS did some typing for the Civilian Defense Organization and that it is remotely possible that PRISCILLA HISS did some typing for the Progressive Citizens Association although she held no official secretarial position in either organization.

These letters should be returned to the Washington Field Office upon completion of the examination, for proper disposal by this office.

Bureau teletype to Denver, et al, dated January 24, 1949, and
El Paso teletype to Denver dated January 28, 1949.

~~DEFERRED RECORDING~~

There are being transmitted herewith typewriter specimens secured
from Woodstock typewriter Serial No. 156050 for examination in
connection with the questioned specimens in captioned case.

According to the reference Chicago teletype, this typewriter was
sent from the Woodstock Typewriter Company of Chicago to the
Typewriter and Office Supply Company, 304 University Building,
Denver, Colorado, on May 19, 1940. The former owner of the Type-
writer and Office Supply Company referred to above was located
by the El Paso Division and his records reflect this typewriter
had been sold to Mr. A. W. MILNE, 4171 Irving Street, Denver,
Colorado, on November 23, 1940.

Mr. ALEX W. MILNE, 4171 Irving Street, Denver, cooperated with
an Agent of this office and permitted the specimens to be ob-
tained.

Mr. MILNE mentioned that he purchased the typewriter second-
hand, and he believes his wife has had some repair work done on
it and at the present time, it is not in very good operating
condition.

It is suggested that the Laboratory furnish the results of the
examination to the office of origin, New York, the Bureau and
Denver.

THE ADDRESS OF GEORGE SILVERMAN IN WASHINGTON, D.C. ON JANUARY TWENTY EIGHT, FORTYNINE, PROFESSOR SCHAPIRO WAS INTERVIEWED IN HIS OFFICE AT COLUMBIA UNIVERSITY AND RELATED THAT AT CHRISTMAS TIME IN NINETEEN THIRTYSIX, CHAMBERS CONTACTED HIM AT THE UNIVERSITY AND REQUESTED HIM TO PURCHASE FOUR EXPENSIVE ORIENTAL RUGS. AT THIS TIME HE TURNED OVER TO SCHAPIRO SIX HUNDRED DOLLARS IN CASH. CHAPIRO RELATED THAT HE HAD NO INTIMATE KNOWLEDGE OF ORIENTAL RUGS AND HE IN TURN SOLICITED THE AID OF E. SHOEN, AN INTERIOR DECORATOR AND ARCHITECT AND A FRIEND OF SCHAPIRO. SHOEN THEREAFTER RECOMMENDED THAT THESE RUGS COULD BE PURCHASED AT THE MASSACHUSETTS IMPORTING COMPANY, TWO SEVEN SIX FIFTH AVENUE, NYC. SHOEN GAVE SCHAPIRO A LETTER OF INTRODUCTION IN CONNECTION WITH THE PURCHASE OF THESE RUGS. AS A RESULT THEREOF, SCHAPIRO PURCHASED FOUR RUGS. INVESTIGATION AT THE MASSACHUSETTS IMPORTING COMPANY REFLECTED A SALES TICKET DATED DECEMBER TWENTYTHIRD, THIRTY SIX, BILLED TO E. SHOEN, FIFTEEN EAST FIFTYTHIRD STREET, FOR FOUR BOKHARA RUGS AT A COST OF EIGHT HUNDRED AND SEVENTYSIX DOLLARS AND SEVENTYONE CENTS. THE SALES TICKET INDICATES A CHECK FOR SIX HUNDRED DOLLARS AND CASH FOR THE BALANCE WAS PAID FOR THESE RUGS. THIS COMPANY WAS ALSO IN POSSESSION OF A SALES TICKET DATED DECEMBER TWENTY NINE, THIRTYSIX, INDICATING DR. MEYER SCHAPIRO, TWO SEVEN NINE WEST

FOURTH STREET, AS THE PURCHASER AND THE PERSON TO WHOM THESE
RUGS SHOULD BE SHIPPED. THE TICKET DATED DECEMBER TWENTYNINE BEARS
THE SIGNATURE OF MRS. MEYER SCHAPIRO WHICH IS A DEFINITE INDICATION
THAT INSTANT RUGS WERE SHIPPED TO THE SCHAPIRO-S. NY ADDRESS. IN
CONNECTION WITH THE ORIGINAL SALES TICKET BEING MADE OUT IN THE NAME
OF E. SHOEN, THE PROPRIETORS OF THE MASSACHUSETTS IMPORTING CO.
ADVISED THAT THE ORIGINAL TICKET WAS MADE OUT TO SHOEN IN VIEW OF
THE FACT THAT SCHAPIRO WAS UNKNOWN TO HIM. HOWEVER, AFTER PAYMENT
FOR THESE RUGS WAS MADE, THE SALES TICKET DATED DECEMBER TWENTYNINE
WAS MADE OUT IN THE NAME OF DR. MEYER SCHAPIRO. THE TICKET DATED
DECEMBER TWENTYNINE, THIRTYSIX, ALSO INDICATES THAT THE RUGS WERE
DELIVERED BY THE MASSIS EXPRESS CO. SCHAPIRO, AS WELL AS HIS WIFE,
HAVE BEEN INTERVIEWED ON SEVERAL OCCASIONS AND ARE WHOLLY UNABLE TO
RECALL THE RECEIPT OF THE RUGS AT THEIR HOME OR THEIR RESHIPMENT.
MRS. SCHAPIRO, AS WELL AS HER HUSBAND, BOTH INDICATE, HOWEVER, THAT
THE SIGNATURE APPEARING ON THE DELIVERY TICKET IS THAT OF MRS. MEYER
X SCHAPIRO. INVESTIGATION AT MASSIS EXPRESS COMPANY FAILS TO REVEAL
ANY INFORMATION CONCERNING INSTANT DELIVERY AND AS A MATTER OF FACT
THE EXPRESSMAN WHO DELIVERED INSTANT RUGS IS NOW DECEASED. IT WAS
BELIEVED IN THE ABSENCE OF ANY INFORMATION FROM SCHAPIRO THAT THESE

RUGS, WHICH WERE DELIVERED TO THE SCHAPIRO HOME, WERE RESHIPED TO WASHINGTON BY AMERICAN RAILWAY EXPRESS. HOWEVER, OFFICIALS OF AMERICAN RAILWAY EXPRESS, NYC, RELATE THAT ALL TANGIBLE EVIDENCE OF THIS DELIVERY HAS BEEN DESTROYED. THEY POINTED OUT THAT IT IS THEIR PRACTICE TO DESTROY DELIVERY INSTRUCTIONS AFTER A PERIOD OF THREE YEARS AND RECEIPTS AT THE OTHER END AFTER A PERIOD OF FOUR YEARS. SCHAPIRO HAS A SOMEWHAT DEFINITE IMPRESSION THAT AT THE TIME HE CONTRACTED FOR THE PURCHASE OF THESE RUGS, HE SPECIFICALLY INSTRUCTED THE RUG COMPANY TO SHIP THEM TO WASHINGTON, D.C. IT IS ALSO HIS RECOLLECTION THAT AT THE TIME OF CHAMBERS-S ORIGINAL CONTACT WITH HIM THAT CHAMBERS TOLD HIM TO DELIVER THESE RUGS TO A MR. SILVERMAN OR SILVERMASTER IN WASHINGTON, D.C. THE OFFICIALS OF THE MASSACHUSETTS IMPORTING COMPANY HAVE BEEN INTERVIEWED ON SEVERAL OCCASIONS AND A DILIGENT SEARCH OF THEIR RECORDS HAS PRODUCED NOTHING OTHER THAN THE ABOVE DISCUSSED SALES AND DELIVERY TICKETS. IF THE RUGS WERE ACTUALLY DELIVERED IN NEW YORK CITY ON DECEMBER TWENTYNINE, THIRTYSIX, IT IS DOUBTFUL THAT THEY WOULD HAVE REACHED WASHINGTON BEFORE SOMETIME IN JANUARY, THIRTYSEVEN. THIS IS OF SIGNIFICANT IMPORTANCE BECAUSE ALGER HISS CLAIMS THAT HE NEVER SAW CHAMBERS SUBSEQUENT TO JANUARY FIRST, THIRTYSEVEN. b3

END OF PAGE FOUR

[REDACTED]

[REDACTED] CHAMBERS, WHEN INTERVIEWED, RELATED THAT SOMETIME IN JANUARY OF THIRTYSEVEN, BY PREARRANGEMENT, HE ACCOMPANIED ALGER HISS IN THE LATTER-S AUTOMOBILE TO A PARKING LOT NEAR A RESTAURANT JUST OUTSIDE OF COLLEGE POINT, MARYLAND. THEREAFTER, BY PREARRANGEMENT, SILVERMAN DROVE UP TO THIS PLACE IN HIS CAR AFTER WHICH CHAMBERS GOT OUT OF THE HISS AUTOMOBILE, TOOK THE RUG WHICH WAS IN THE SILVERMAN CAR AND HANDED IT TO HISS. ALTHOUGH THERE IS SOME DISCREPANCY AS TO THE MANNER IN WHICH HISS ACTUALLY PHYSICALLY OBTAINED THIS RUG, HE TACITLY ADMITS HE ACTUALLY RECEIVED IT FROM CHAMBERS. THE WFO IS REQUESTED TO CONTACT THE LOCAL REPRESENTATIVE OF THE AMERICAN RAILWAY EXPRESS TO DETERMINE, IF POSSIBLE, THE INDIVIDUAL IN THAT COMPANY WHO WOULD HAVE HANDLED DELIVERIES TO SILVERMAN-S RESIDENCE IN WASHINGTON, D.C., IN JANUARY OF THIRTYSEVEN SO THAT HE CAN BE INTERROGATED RELATIVE TO ANY RECOLLECTION HE MIGHT HAVE OF THIS TRANSACTION OR ANY INDEPENDENT RECORD THAT HE MIGHT POSSIBLY HAVE KEPT IN THIS REGARD. FROM ALL AVAILABLE INFORMATION, ALGER HISS IS STILL IN POSSESSION OF HIS RUG AND THE ONE DELIVERED TO WADLEIGH, ACCORDING

TO THE LATTER, IS IN STORAGE AT THE FIRM OF NESHAN G. HINTLIAN, CONNECTICUT AVENUE, WASHINGTON, D.C., A RUG DEALER. SINCE WADLEIGH HAS BEEN EXTREMELY COOPERATIVE, IT IS FELT THAT HE WOULD HAVE NO OBJECTION TO TURNING THIS RUG OVER TO AGENTS OF THE WFO. UNLESS ADVISED TO THE CONTRARY BY THE BUREAU, WFO IS REQUESTED TO OBTAIN b3 POSSESSION OF THIS RUG. THE DEVELOPMENT OF THE INFORMATION CONCERNING THE RUG WAS AT FIRST BELIEVED TO HAVE SOME BEARING ON THE TESTIMONY GIVEN BY [REDACTED] BEFORE THE GJ AND IN CONNECTION

[REDACTED]

IT DOES NOT APPEAR AT LEAST ON THE RECORD THAT [REDACTED] STATEMENTS INDICATE A POSSIBILITY THAT HE PERJURED HIMSELF. HOWEVER, THIS MATTER WILL BE GONE OVER IN DETAIL WITH T. J. FOURTEEN, NYTEL JANUARY TWENTYEIGHT, AND BULET TO WFO DATED FEBRUARY TWO, LAST.

FOLLOWING IS FOR INFO OF PHILADELPHIA. IN INTERVIEW WITH CHAMBERS, JANUARY FOURTEEN

AT NY, HE RELATED FOLLOWING STORY. IN CONNECTION WITH ORIGINAL UNDERGROUND APPARATUS

OPERATED BY HAROLD WARE, WHICH INCLUDED DONALD HISS, CHARLES KRAMER, VICTOR PERLO,

HENRY HILL COLLINS, JR., LEE PRESSMAN, AND NATHAN WITT, EACH OF THESE INDIVIDUALS HAD

HIS OWN SEPARATE CELL CONSISTING OF TEN TO TWENTY PERSONS WHO WERE EMPLOYED IN VARIOUS

GOVT AGENCIES IN DC. AT THIS TIME, THESE INDIVIDUALS WERE NOT ABSTRACTING ANY

DOCUMENTS FROM THE VARIOUS GOVT AGENCIES BUT WERE PLACED THERE SO THAT THEIR SERVICES

MIGHT BE USED IN THE EVENT AN OPPORTUNITY AROSE. ONE OF THE INDIVIDUALS IN HAROLD

WARE'S CELL WAS JOE HERRMAN, ASCERTAINED BY THIS OFFICE TO BE JOHN HERRMANN, WHO WAS

A MEMBER OF THE CP AND WHO, AT ONE TIME WAS A MEMBER OF THE JOHN REED CLUB IN NYC AT

THE TIME CHAMBERS WAS ALSO A MEMBER OF THE CLUB. HERRMANN WAS MARRIED TO JOSEPHINE

HERBST, WHO HAD BEEN THE AUTHOR OF TWO OR THREE FAIRLY WELL ACCEPTED NOVELS AND WAS

CONSIDERED A LEADING LIGHT IN THE LITERARY WORLD. HERRMANN AND HIS WIFE IN APPROXIMATELY

NINETEEN THIRTYFIVE AND THIRTYSIX, RESIDED IN AN APARTMENT ON THE EAST SIDE OF NEW

HAMPSHIRE AVENUE BETWEEN MASSACHUSETTS AVENUE AND DUPONT CIRCLE, NW, WASHINGTON, DC.

IT IS NOTED THAT NEW HAMPSHIRE AVENUE AND MASSACHUSETTS AVENUE INTERSECT AT DUPONT

CIRCLE. SOMETIME IN ABOUT NINETEEN THIRTYSIX, IN A CONVERSATION BETWEEN HERRMANN AND

CHAMBERS, THE FORMER STATED THAT A FAMILY BY THE NAME OF SILVERMAN, WHICH CONSISTED OF

A WIFE, HUSBAND AND CHILD, WAS RESIDING ON TWENTYEIGHTH STREET IN WASHINGTON, DC, NEXT

DOOR TO THE RESIDENCE OF ALGER AND PRISCILLA HISS. THIS SILVERMAN IS NOT IDENTICAL WITH A. GEORGE SILVERMAN MENTIONED PROMINENTLY IN THIS CASE. FURTHER, THAT J. PETERS HAD INSTIGATED HAROLD WARE AND JOHN HERMANN LATE ONE EVENING TO GO TO THE SILVERMAN HOUSEHOLD AND ARRANGE TO TAKE SILVERMAN OUT OF HIS HOUSE AND GET HIM AWAY FROM WASHINGTON, DC. AS A MATTER OF FACT, HERMANN AND WARE ACCOMPLISHED THIS BUT CHAMBERS DOES NOT RECALL WHERE THEY TOOK SILVERMAN. AS EXPLANATION OF THIS UNUSUAL SITUATION, CHAMBERS RELATED THAT HERMANN TOLD HIM THAT PETERS OR SOMEONE IN THE PARTY HAD FOUND OUT THAT SILVERMAN AND DAVID K. WILES, PRESENT ADVISOR TO PRESIDENT TRUMAN, HAD BEEN INVOLVED IN HOMOSEXUAL ACTS AND THAT WHILE THIS AFFAIR WAS GOING ON, SILVERMAN HAD BEEN WRITING TO WILES AND INFORMING HIM OF ACTIVITIES OF THE UNDERGROUND APPARATUS IN WASHINGTON, THAT WILES, IN AN EFFORT TO GET SILVERMAN FROM HIS FAMILY, HAD THREATENED TO EXPOSE THE FACTS SURROUNDING THE CP UNDERGROUND IN WASHINGTON. CHAMBERS HAS NO FURTHER INFO CONCERNING THIS INCIDENT BUT MADE THE REMARK THAT IT IS SOMETIMES A COMMON PRACTICE TO ACCUSE A PARTY MEMBER OF SOME SCANDALOUS CONDUCT IN ORDER TO SEPARATE HIM. CHAMBERS HAS NO FURTHER INFO CONCERNING THE IDENTITY OF SILVERMAN NOR THE PRESENT WHEREABOUTS OF JOHN HERMANN AND HIS WIFE. NITEL JANUARY TWENTYEIGHT REPLYED CHAMBERS FURTHER STATED THAT WHEN HE FIRST RECEIVED DOCUMENTS FROM ALGER HISS, HE PHOTOGRAPHED THESE DOCUMENTS HIMSELF EITHER AT HISS' HOME OR AT THE HOME OF HERMANN. HE STATED THAT HERMANN HAD BEEN BROUGHT TO WASHINGTON TO BE AN ASSISTANT TO HAROLD WARE IN THE APPARATUS. CHAMBERS STATED THAT ROBERT ROE RECEIVED DOCUMENTS FROM HARRY DEXTER WHITE GAVE THEM TO HIM AND HE TOOK THEM TO HERMANN'S APT IN WASHINGTON AND PHOTOGRAPHED THEM. IT IS SUGGESTED THAT HERMANN AND ROE BE LOCATED AND THOROUGHLY INTERVIEWED.

CALL TO WFO THIS DATE AND INQUIRY AS TO STATUS OF REPORT COVERING ALL DOCUMENTS
INVOLVED IN INSTANT CASE. ALSO REBULET TO NY DATED JANUARY EIGHTEEN, LAST AND
NYLET TO BUREAU DATED JANUARY TWENTYONE, LAST. A REPORT COVERING DEPOSITION
DOCUMENTS, THAT IS, THE SEVENTY DOCUMENTS OBTAINED BY BALTIMORE DIVISION FROM
WHITTAKER CHAMBERS, WILL BE COMPLETED TODAY OR EARLY TOMORROW. A REPORT COVERING
GRAND JURY EXHIBITS, THAT IS, NUMBERS FORTYNINE AND FIFTYONE, WILL BE COMPLETED
TODAY OR EARLY TOMORROW. IT IS PRESENTLY IMPOSSIBLE TO ADVISE WHEN A REPORT
COVERING DOCUMENTS INVOLVED IN GRAND JURY EXHIBITS NUMBERS FORTYSEVEN AND FORTYEIGHT
WILL BE COMPLETED. DOCUMENTS COVERING THESE GRAND JURY EXHIBITS ARE MICROFILMS OF
STATE DEPT DOCUMENTS. THE DEPARTMENT HAD FURNISHED SPECIAL ASSISTANT ATTORNEY
GENERAL THOMAS J. DONOGAN WITH PHOTOSTATIC COPIES, WHICH PURPORTED TO BE AUTHENTIC
STATE DEPT DOCUMENTS, OF THE DOCUMENTS MICROFILMED IN THIS EXHIBIT. HOWEVER,
EXAMINATION OF THESE DOCUMENTS INDICATES THAT THEY ARE NOT IDENTICAL. FOR THE INFO
OF NY DIVISION, ALL MESSAGES DIRECTED TO STATE DEPARTMENT ARE RECEIVED BY THE
COMMUNICATIONS SECTION OF STATE DEPT. THE ORIGINAL COMMUNICATION IS CONSIDERED
TO BE AN QUOTE ACTION UNQUOTE COPY OF SUCH COMMUNICATION AND AS MANY INFORMATION
COPIES OF THE IDENTICAL COMMUNICATION ARE PREPARED AS THE NATURE OF THE INFORMATION
WARRANTS. INFORMATION COPIES ARE DISTRIBUTED TO DIVISIONS AND SECTION CHIEFS WHO
MAY HAVE AN INTEREST IN THAT PARTICULAR COMMUNICATION. RECIPIENTS OF INFORMATION

COPIES MAY FILE THESE COPIES FOR FUTURE REFERENCE WITHIN THEIR SECTION, RETURN
THEM TO COMMUNICATIONS SECTION IF THEY ARE NOT INTERESTED, OR DESTROY THEM.
IT IS APPARENT THAT COPIES OF THE DOCUMENTS IN GRAND JURY EXHIBITS FORTYSEVEN
AND FORTYEIGHT HAVE BEEN PREPARED FROM INFORMATION COPIES OF THE IDENTICAL
COMMUNICATIONS AND NOT FROM THE QUOTE ACTION UNQUOTE COPIES PRESENTLY AVAILABLE.
CONSIDERABLE INVESTIGATION WILL BE NECESSARY TO LOCATE THE INFORMATION COPIES
FROM WHICH THE MICROFILM COPIES HAVE BEEN MADE AND THE POSSIBILITY EXISTS THAT
THE SPECIFIC INFO COPIES MICROFILMED ARE NO LONGER AVAILABLE. INTENSIVE
INVESTIGATION IS BEING CONDUCTED TO LOCATE COPIES FROM WHICH GRAND JURY EXHIBITS
FORTYSEVEN AND FORTYEIGHT WERE PREPARED. AS BUREAU IS WELL AWARE, THIS SEARCH

CHAMBERS HAS NO FURTHER INFO CONCERNING IDENTITY OF SILVERMAN NOR THE PRESENT WHEREABOUTS OF JOHN HERRMANN OR HIS WIFE. NY TEL JAN. TWENTYEIGHT REFLECTED CHAMBERS FURTHER STATED THAT WHEN HE FIRST RECEIVED DOCUMENTS FROM ALGER HISS HE PHOTOGRAPHED THESE DOCUMENTS HIMSELF EITHER AT HISS HOME OR AT THE HOME OF HERRMANN. HE STATED THAT HERRMANN HAD BEEN BROUGHT TO WASH. TO BE AN ASSISTANT TO HAROLD WARE IN THE APPARATUS. CHAMBERS STATED THAT ROBERT COE RECEIVED DOCUMENTS FROM HARRY DEXTER WHITE AND GAVE THEM TO HIM AND HE TOOK THEM TO HERRMANN-S APARTMENT IN WASH. AND PHOTOGRAPHED THEM. WFO SUGGESTED THAT HERRMANN AND HERBST BE LOCATED AND THOROUGHLY INTERVIEWED RELATIVE TO THEIR KNOWLEDGE OF THIS APPARATUS AND THAT NY BE FURNISHED ANY INFO AVAILABLE RE SILVERMAN AND HIS LOCATION. TO : Director, FBI

DATE: 1/17/49

FROM : SAC, New York

SUBJECT: JAY DAVID WHITTAKER CHAMBERS, was. et al
PERJURY - ESPIONAGE-R

Remytel 1/17/49.

Agents of the New York Office are currently taking the statement from CHAMBERS relative to his activities in Soviet Intelligence. In this connection, he has furnished information which relates specifically to the recruitment of ARVID WERNER JACOBSON for Soviet Intelligence in 1933.

~~DEFERRED RECORDING~~

"I recall that Max Bedacht told me that he had a man waiting in New York who should be introduced to Ulrich, who apparently would know just what purpose this individual was to serve. I mentioned this to Ulrich and from his reaction he apparently knew the nature of the operation and asked that I meet this individual and give him my opinion as to the fitness of this individual for underground work in a dangerous European country. As a result of Ulrich's instructions I got in touch with Max Bedacht. It was then arranged that I would meet Bedacht at the Automat on Broadway near Astor Place. Upon my arrival I observed Bedacht with a young fellow. Shortly after entering the Automat, Bedacht introduced me to his companion, whose name he stated was Arvid Jacobson. After the introduction Bedacht left. I talked to Arvid for some period of time and subsequently made a report to Ulrich. I informed Ulrich that the young fellow appeared to be a poor prospect; that he was high-strung, and generally probably not suited for the type of work that he would encounter in the underground in a foreign country. I also informed Ulrich that as a result of my conversation with Arvid I learned that he was a Finnish-American and had been a schoolteacher in Michigan. I pointed out that Arvid had two fingers missing. Any kind of deformation or mutilation is considered a drawback in underground since it leaves to easy identification. In spite of my objections to Arvid as a poor prospective for underground activities, Ulrich decided to meet this individual and talk to him. At the time of my first conversation with Arvid I arranged a second meeting with him and on the occasion of this second meeting Ulrich and myself met Arvid. This occurred in Bryant Park immediately behind the New York Public Library near 42nd Street. I left Ulrich and Jacobson alone and this was the last time I ever saw the latter individual. I did later read in the New York papers of his involvement in an espionage case and his arrest and trial in Finland. Max Bedacht subsequently told me that Arvid Jacobson had been recruited for underground work by one Mrs. Morton. Mrs. Morton, Bedacht said, was the pseudonym for the wife of Otto Kussinev. Otto Kussinev, I knew, had been for many years a leader in the Communist International. Later

"I learned that during the winter war between Russia and Finland, Kussinev was the head of the so-called Terijoki government, which the Russians tried to foist upon the Finns. Kussinev's daughter, Herta Kussinev, is now the dominant force in the present government of Finland. At the time of Bedacht's conversation with me he said that Mrs. Morton had been working for some time under this alias as underground operator in Michigan".

It is noted that JACOBSON'S version of his recruitment, as furnished agents of the Detroit Office, is substantially that he, through the Finnish Federation in New York, met a Finnish woman who offered a teaching position to him in Karelia and included in the deal JACOBSON was to study at the University of Helsinki. JACOBSON has indicated that he accepted the proposition because of the advantages of further education.

For the information of the Detroit Office, CHAMBERS furnished the following information concerning Ulrich:

"During the length of my operations in the underground (1932) Sherman introduced me to an individual who I knew only as Ulrich or Walter. During my association with this individual I referred to him both as Ulrich and Walter. However, for the purpose of this statement I will refer to him hereinafter as Ulrich. The following is a description of Ulrich as I recall him: age 40 to 50 in 1932; born Kerch, Russia; height five feet five inches or five feet six inches; eyes brown; hair gray; face bony with an impish look; marital status married; wife's name ELAINE or MARIA, who spoke English with an accent and also spoke Russian".

in [redacted] an informant of the New York Office, beginning generally referred to as the [redacted] has described presumably the same individual known to CHAMBERS as ULRICH. He was known to [redacted] as WALTER. [redacted] described WALTER as follows: 5'5"; a Russian Jew; hair black, bushy, iron gray at temples; eyes brown; calm peaceful expression; characteristics formerly in the Russian Navy and Merchant Marine, spoke English with a fluent accent.

b7D

CHAMBERS also stated that it was his impression that ULRICH had been connected with the Russian Merchant Marine.

Supplementary to the statement quoted above, CHAMBERS stated that the circumstances of his meetings with JACOBSON were such that JACOBSON certainly knew he was going into underground work.

Lt. to Dir.
NY 65-14920

A photograph of WHITTAKER CHAMBERS, taken in 1931, is furnished the Detroit Office. There is also enclosed a photograph of MAX BEDACHT taken in 1947. No photograph of BEDACHT contemporary with the period in question is immediately available.

The Detroit Office is requested to immediately interview JACOBSON for his version of the meetings with BEDACHT, CHAMBERS and ULRICH. In this connection, JACOBSON should be requested to furnish a description of ULRICH.

For the information of the Detroit Office, consideration is being given by Special Assistant to the Attorney General, T.J. DONEGAN, to the issuance of a subpoena requesting JACOBSON to appear before the Special Grand Jury now meeting in New York. MAX BEDACHT was recently before the Grand Jury.

A summary of the results of the interview should be furnished the Bureau and New York by teletype.

The following information was made available to the Bureau by D. Vincent Hurley who received the information from Mrs. Frances Russell of Swarthmore, Pennsylvania. Mrs. Russell, who was formerly employed in the Central European Unit in the State Department, is now a member of the technical staff of the Joint Committee on Foreign Economic Cooperation. Mrs. Russell was not informed that this information would be furnished to the Bureau, however, Mr. Hurley advised that in the event a further check was desired, it was his belief that she would have no hesitation in furnishing any other details available.

Mrs. Russell stated that early in the week of December 12, 1948 she had a conversation with a man who is presently employed in the CE Unit in the State Department and with whom she formerly worked. In 1947 she and this man and several others were working on the problem of the Yugoslav ships which had been seized by the United States at the end of the war in the Danube River and which were being withheld from Yugoslavia. The Yugoslavs had made several demands that the ships be returned but the State Department had adopted the position that the ships should not be returned until Russia and her satellites had agreed to the opening of the Danube River to international commercial shipping. She stated that this position had been unanimous in the Central European Unit in the State Department. Mrs. Russell recalled that she and the others working on the problem were dumbfounded last October or November (1947) when an order was issued by President Truman directing that the ships be returned to Yugoslavia forthwith.

According to Mrs. Russell, no one in the State Department knew the reason for this order until the official with whom Mrs. Russell talked had recently had occasion to review the State Department file on this Yugoslav shipping question. It was then noted that a penciled memorandum by Alger Hiss appeared in this file. It seems that the Yugoslavs, in another attempt to get their ships back, had appealed to the United Nations and the United States official (I believe the name was Minant but I am not sure) in the United Nations Committee, which had the matter up for discussion, checked with the State Department to determine the United States position in the matter. This official telephoned Mr. Hiss in the State Department. Hiss arranged for Acting Secretary of State, Dean Acheson, to come in on the telephone conversation. Mr. Acheson outlined to the United States representative at the United Nations headquarters the State Department position to the effect that the ships would be held until Russia agreed to open the Danube. The penciled memorandum of Mr. Hiss summarized this conversation and there was a note then written by Hiss to the effect that he was unalterably opposed to the State Department position and that he would do all in his power to see that it was changed.

ENCLOSURE

Kisseloff-1501

The next document noted in the file was a copy of the letter which President Truman had signed ordering the ships returned to Yugoslavia. This letter was prepared by Alger Hiss.

You are instructed to promptly interview Mrs. Fussell at Swarthmore, Pennsylvania for any additional data she may have concerning this particular incident and also for any relative data she may have concerning instant case. A check of the State Department file concerning this particular incident is being made by Bureau liaison.

DATE: January 26, 1949

FROM : SAC, Baltimore

SUBJECT: JAY DAVID WHITTAKER CHAMBERS, was, ET AL;
PERJURY,
ESPIONAGE - R.

Reference is made to New York teletype dated January 21, 1949, reporting the results of an interview that day with CHAMBERS by the New York Agents. In this teletype it was stated that CHAMBERS had related on that day that sometime during the latter part of 1948, he had received a letter from an individual whose name he did not recall but who probably was a contributing editor of "The Farm Journal", published in Philadelphia, Pennsylvania. CHAMBERS stated that this letter had been turned over by him to his attorney, Mr. RICHARD F. CLEVELAND, in Baltimore, to assist in the investigation of ALGER HISS in connection with CHAMBERS' defense in the HISS-CHAMBERS libel suit. According to CHAMBERS, the letter in question indicated that the individual connected with "The Farm Journal" had considerable knowledge of ALGER HISS. The Baltimore Office was requested to interview Mr. CLEVELAND and obtain from him all information concerning the contributing editor of "The Farm Journal", and particularly, to obtain from Mr. CLEVELAND or from this individual himself, any letters that may have been written by HISS to him so that they could be compared by the Laboratory with the questioned documents in this case.

On January 25, 1949, in the absence of Mr. RICHARD F. CLEVELAND who was out of the city, Agents of this office interviewed Mr. WILLIAM D. MACMILLAN, an associate of Mr. CLEVELAND in representing Mr. CHAMBERS, at 2500 O'Sullivan Building, Baltimore, Maryland. After reviewing their file, Mr. MACMILLAN discovered that the individual from whom CHAMBERS had received the above mentioned letter was Mr. ROBERT CRUISE McMANUS, addresses shown as Hopewell, New Jersey and 168 West State Street, Trenton, New Jersey. Mr. MACMILLAN also had in his possession a confidential investigative report made by NICHOLAS S. VEZZANA, a private investigator and employed by Mr. DANIEL A. DORAN, to Mr. HAROLD R. MEDINA, Jr., member of the New York law firm of Cravath, Swaine and Moore. Attached or enclosed with this report was an exhibit containing typewritten copies of all correspondence between McMANUS and ALGER HISS, such correspondence being dated in August and September, 1948. No originals of the McMANUS-HISS correspondence were available, so Agents were unable to ascertain whether the letters from HISS to McMANUS in the original were handwritten or typewritten. It is possible that the originals of the letters from HISS to McMANUS are on the stationery of the Carnegie Endowment for International Peace, New York City, as McMANUS, in addressing HISS, addressed him at the Carnegie Endowment in New York City.

Re: JAY DAVID WHITTAKER CHAMBERS, was; ET AL; PERJURY, ESPIONAGE - R.
January 26, 1949.

In the absence of Mr. CLEVELAND, Mr. MACMILLAN was uncertain as to whether or not he should permit Agents to review VEZZANA's investigative report and the above mentioned exhibits without first consulting MEDINA. When Agents explained the fact that Mr. CHAMBERS had originally suggested contacting Mr. CLEVELAND for this information and also explained the nature of the investigation contemplated, Mr. MACMILLAN voluntarily turned over the report and exhibits to the Agents. The Agents presumed that VEZZANA's investigative report was turned over to them for the purpose of reviewing that portion of the report concerning McMANUS. Because Mr. MACMILLAN became engaged with a client at the time this report was turned over to Agents, Agents were permitted to review the report and exhibits in another office where Mr. MACMILLAN was not present. Accordingly, much of the information set out below was obtained in at least a semi-surreptitious manner during a limited period of time available to Agents. However, the manner in which much of the following information was obtained should be borne in mind by other offices when conducting subsequent investigation, particularly in view of New York teletype dated January 25, 1949, which indicates that HAROLD R. MEDINA, Jr. has decided to supply information developed by VEZZANA in connection with his investigation of HISS, not only to the Bureau but also to Mr. EDWARD C. McLEAN, New York attorney for ALGER HISS, which position by MEDINA occasioned the decision on the part of the New York Office to have no further contacts with MEDINA or VEZZANA.

VEZZANA's report reflected the results of investigation conducted by him regarding HISS during the early part of November, 1948. The numerical page sequence of VEZZANA's report extended from pages 50 and 60, on up, a possible indication that there were at least 50 pages of investigation regarding HISS previously reported by VEZZANA. Evidently, the completed report of all investigation conducted regarding HISS by VEZZANA is in MEDINA's possession at New York City, and copies of same undoubtedly in the possession of VEZZANA and DORAN. Apparently, as is the case in the instant segment of VEZZANA's report which was reviewed by Agents, the balance of VEZZANA's report may contain information of value to the Bureau's investigation, or at least valuable investigative leads, such leads probably along the line of proving that ALGER HISS was or is a member of the Communist Party, as that was the chief objective of VEZZANA's investigation in connection with CHAMBERS' defense in the libel suit.

L/Director from Baltimore.

Re: JAY DAVID WHITTAKER CHAMBERS, was, ET AL; PERJURY, ESPIONAGE - R.
January 26, 1949

According to VEZZANA's report, McMANUS is a writer for "The Farm Journal", the location of "The Farm Journal" not indicated, and has been interested for years in exposing Communism in the farm belt and in agriculture generally. McMANUS has written several articles along this line in the past and has already successfully defended himself in a libel suit which developed as a result of such writing. McMANUS contemplates a further series of articles regarding Communism in the farm belt and possibly a book also. McMANUS represented himself as being anxious to assist CHAMBERS in his defense in the libel suit brought by ALGER HISS because, McMANUS stated, he disbelieved HISS' testimony before the H.C.U.A. and thinks HISS is or was a Communist. McMANUS related the following additional information regarding HISS to VEZZANA.

Sometime in the late 1920's or early 1930's, McMANUS lived in Washington, D.C. with ALGER HISS and a third party who was not named. This apparently was just prior to the marriage of ALGER HISS and PRISCILLA HISS. Therefore, McMANUS claims to know ALGER HISS quite well, at least as of that period. In correspondence with ALGER HISS, McMANUS pointed out that during the early 1930's, it was considered "fashionable" to be a Communist from the standpoint of idealism without any suspicion of disloyalty to the United States, on the part of a rather large segment of Government workers in Washington, D.C. McMANUS pointed out to HISS in the correspondence that he thought ALGER HISS was also among that "fashionable group" at that time. Therefore, in later correspondence, McMANUS expressed surprise that ALGER HISS was not smart enough to admit membership in the Communist Party during the early 1930 period, as a youthful indiscretion which he had subsequently outgrown.

In this correspondence, McMANUS also pointed out to ALGER HISS that HISS was at least a Socialist. He refreshed HISS' memory on an incident in Washington which apparently occurred on the day when PRISCILLA HISS joined the Socialist Party. McMANUS inferred that there might have been some confusion on this occasion and that PRISCILLA HISS had actually joined the Communist Party. In any case, McMANUS told VEZZANA that he thought PRISCILLA HISS had probably in the beginning influenced ALGER HISS to join the Communist Party.

L/Director from Baltimore:

Re: JAY DAVID WHITTAKER CHAMBERS, was; ET AL; PERJURY, ESPIONAGE - R:
January 26, 1947.

McMANUS subsequently followed the career of ALGER HISS to the present. In his first letter to ALGER HISS, which was dated August 5, 1948, McMANUS stated that an un-named confidential source had turned over to McMANUS an account of a purge of Communists from the Agricultural Adjustment Administration of the Department of Agriculture, by Mr. CHESTER DAVIS. McMANUS told HISS in this letter that he was contemplating writing a series of articles regarding Communism in agriculture and enclosed a copy of this memorandum regarding the purge of the A.A.A. by CHESTER DAVIS. McMANUS asked ALGER HISS for his comments on this memorandum and stated that he wanted such comments, in all fairness to HISS, because ALGER HISS was a part of the story and would have to figure in the writings of McMANUS about Communism in agriculture. HISS replied to McMANUS and stated that the memorandum regarding the agriculture purge had probably been written by some members of the conservative old guard in the Department of Agriculture and stated that it was inaccurate in many respects.

During subsequent correspondence, McMANUS requested and finally obtained, after some stalling tactics on the part of ALGER HISS, a personal interview with HISS which evidently occurred sometime during the latter part of August, 1948. As a result of this direct personal meeting and conference between HISS and McMANUS, McMANUS prepared about a 10-page memorandum, each page of which is divided into two columns. In the left column, headed "Add", McMANUS set forth some facts but mostly conclusions and personal opinions, which would tend to prove that HISS was a Communist. In the right-hand column on each page, headed "Subtract", McMANUS set out counteracting evidence or facts favorable to HISS opposite many of the items appearing in the left-hand column. McMANUS wrote to HISS and enclosed a copy of this 10-page memorandum, requesting the comments of HISS regarding same. HISS in reply endeavored to refute some of the points made by McMANUS but, according to McMANUS, quibbled about minor details and did not even undertake to refute some of the more substantial points made by McMANUS.

In concluding the 10-page memorandum mentioned above, McMANUS said that it was his opinion that HISS fitted into one of the three categories set out below:

L/Director from Baltimore.

Re: JAY DAVID WHITTAKER CHAMBERS, was, ET AL; PERJURY, ESPIONAGE - R.
January 26, 1949.

(1) That HISS is an outstanding, patriotic American, and is the victim of unjustified persecution;

(2) Or, HISS is a poor, innocent sucker who has been used as a tool by the Communist Party;

(3) Or, HISS is a clever, highly intelligent and perhaps the most dangerous agent in this country of JOSEF STALIN.

These conclusions are not in the exact wording of McMANUS.

In the "agriculture purge" memorandum mentioned above, some of the other persons mentioned as victims of the purge by Mr. DAVIS and as close associates of ALGER HISS, who incidentally resigned shortly after the purge, were JOHN ABT, LEE PRESSMAN, NATHAN WITT, GARDNER JACKSON, ABEL FORTES and others, all of whom were described as bright, young New Deal lawyers, who had been made available to Government service by JEROME FRANK and FELIX FRANKFURTER. McMANUS in his correspondence with HISS told HISS that he was getting in touch with these other victims of the purge and associates of HISS to obtain their reactions also.

McMANUS also informed VEZZANA that after considerable effort he had succeeded in contacting GARDNER JACKSON, supra, now described by McMANUS as an anti-Communist and who is presently located with the Welch Grape Juice Company at Columbus, Ohio, his home, however, being in Choquit, Massachusetts. McMANUS pointed out that JACKSON, in addition to being a former employee of the U. S. Department of Agriculture, had also been an employee of Farmers' Union and an employee of "P.M.", the New York newspaper. It was evident that JACKSON was cooperative, at least to some extent, with McMANUS; and it should be noted that ALGER HISS guessed GARDNER JACKSON as a suspected author of the memorandum on the "agriculture purge". According to McMANUS, JACKSON told McMANUS on the telephone that he thinks ALGER HISS is a Communist.

McMANUS also indicated that he had written a letter to Mr. CHESTER DAVIS, former head of the A.A.A., enclosing a copy of the "agriculture purge" memorandum and requesting the comments of Mr. DAVIS. It was indicated that Mr. DAVIS can presently be located in care of the Federal Reserve Bank at St. Louis, Missouri. According to McMANUS,

L/Director from Baltimore.

Re: JAY DAVID WHITTAKER CHAMBERS, was, ET AL; PERJURY, ESPIONAGE - R.
January 26, 1949.

Mr. DAVIS replied and indicated in his letter that the "agriculture purge" memorandum very accurately reflected the situation. Portions of this letter from Mr. DAVIS, McMANUS withheld from VEZZANA for reasons of confidence. It is possible that McMANUS withheld other information from VEZZANA in view of VEZZANA's status as a private investigator.

McMANUS related to VEZZANA, according to the latter's report, that he was not entirely "philanthropic" in desiring to help Mr. CHAMBERS. McMANUS suggested an exchange of information between himself and VEZZANA along mutually helpful lines. In fact, McMANUS suggested to VEZZANA that in return for the assistance of McMANUS, McMANUS would appreciate the opportunity to consult with Mr. CHAMBERS for confirmation of information in his possession and for additional information which McMANUS in turn would use in writing his articles. Apparently, no such collaboration between McMANUS and CHAMBERS was ever arranged.

It is suggested that McMANUS be interviewed immediately for any and all information in his possession regarding ALGER HISS, especially for facts or evidence which might assist in proving that ALGER HISS is or ever was a member of the Communist Party, and for leads which might result in developing such evidence. The above detailed information is set out so that the Agents interviewing McMANUS cannot be misled by McMANUS as to the nature and extent of the information in his possession regarding HISS. McMANUS may be entirely cooperative and furnish all the information set out above and additional information, which would preclude the necessity of revealing the source of the above information. It is also possible that McMANUS may endeavor to make a deal with Bureau Agents for exchange of information along the same lines as the deal he endeavored to make with VEZZANA.

In his investigative report, VEZZANA reported other investigation in addition to the McMANUS angle, which may be helpful to the Bureau in conducting further investigation regarding ALGER HISS. As indicated above, this additional information from VEZZANA's report was obtained by Agents surreptitiously without the knowledge of Mr. MACMILLAN. VEZZANA conducted investigation during the early part of November, 1948, at both Frenchtown, New Jersey, and New Hope, Pennsylvania, for the purpose of locating the cottage occupied by the CHAMBERS family in about 1936, at which time CHAMBERS was using the name DAVID BREEN. In view of the fact that the Newark and Philadelphia Offices are currently conducting investigations along these same lines, the following information is set out from VEZZANA's report as of possible assistance to these offices.

L/Director from Baltimore.

Re: JAY DAVID WHITTAKER CHAMBERS, was, ET AL; PERJURY, ESPIONAGE - R.
January 26, 1949.

This investigation conducted by VEZZANA at Frenchtown, New Jersey, and New Hope, Pennsylvania, was based on information furnished by CHAMBERS, which information is evidently identical with that furnished by CHAMBERS to Bureau Agents which has occasioned the current Bureau investigations at these locations. The basic facts supplied by CHAMBERS resulting in VEZZANA's investigation were that CHAMBERS had occupied a cottage in the vicinity of Frenchtown with MAXIM ~~LEIBER~~ for a two-month period during the middle 1930's, during which period Mrs. HISS visited CHAMBERS at this cottage near Frenchtown, New Jersey.

LIEBER

Investigation at Frenchtown, New Jersey

VEZZANA in his report recounted his investigative efforts including his contacts with several hotel operators and real estate men in the vicinity of Frenchtown, New Jersey, which resulted in his locating the cottage occupied by CHAMBERS in a small village known as Smittstown, Pennsylvania, located in Bucks County, Pennsylvania, approximately three or four miles outside Frenchtown, New Jersey. VEZZANA also attempted to locate an individual named BUCO (phonetic) who, according to CHAMBERS, was the real estate agent who had rented the cottage. VEZZANA determined that the owner of the cottage occupied by CHAMBERS was a Mrs. NORMA BROWN, 1131 South 46th Street, Philadelphia, Pa. His inquiry at this address reflected that Mrs. BROWN had just left Philadelphia on a trip to Arizona and further investigation by VEZZANA turned up Mr. JOSEPH R. BOUCOT, undoubtedly the BUCO (phonetic) mentioned by CHAMBERS. BOUCOT was located by VEZZANA residing at 143 West Coulter Street, Philadelphia, Pennsylvania, who upon interview, advised VEZZANA that Mrs. NORMA BROWN, the owner of the cottage, was his sister, and further, that he, BOUCOT, had acted as a real estate agent for the cottage then owned by BOUCOT's uncle during the years 1934-38. BOUCOT was unable to identify current photographs of either HISS or CHAMBERS exhibited to him by VEZZANA. BOUCOT stated, however, that his sister, Mrs. NORMA BOUCOT BROWN, supra, had actually lived in a cottage adjacent to the one occupied by CHAMBERS and could probably furnish the desired information. He advised VEZZANA that Mrs. NORMA BOUCOT BROWN was then residing at 734 Park Avenue, Hot Springs, Arkansas, care of her son, PAUL BROWN. BOUCOT pointed out to VEZZANA that if inquiry were made at the address of PAUL BROWN, care should be taken that Mrs. NORMA BOUCOT BROWN be asked for, since the wife of PAUL BROWN was also named NORMA BROWN. BOUCOT further advised that

None we talked to her. 3/6/49

Mrs. NORMA BOUCOT BROWN was actually en route to an undisclosed address in Arizona. It is pointed out that this investigation was conducted early in November, 1948, and the possibility exists that Mrs. NORMA BOUCOT BROWN has now returned to Philadelphia, Pennsylvania.

Investigation at New Hope, Pennsylvania.

VEZZANA's report reflected investigation conducted by him to locate the real estate agent who had rented a cottage to CHAMBERS as DAVID BREEN, the alias being used by CHAMBERS at the time, which was probably in the middle 1930's. CHAMBERS recalled, according to VEZZANA's report, that in obtaining this cottage in the vicinity of New Hope, Pennsylvania, he was required to list a reference and had given as a reference ALGER HISS.

3/6/49

VEZZANA located the cottage five miles out of New Hope, Pennsylvania, and determined the owners to be Mr. and Mrs. THOMAS MARSHALL, New Hope, Pennsylvania. Interview with the MARSHALLS reflected that the BREENS had occupied the cottage probably in 1936 at a time immediately preceding the birth of CHAMBERS' second child. The MARSHALLS recalled that Mrs. BREEN (Mrs. CHAMBERS) had during the period of occupancy, advised them that Mr. BREEN (Mr. CHAMBERS) was in Chicago.

Interview her.

VEZZANA further learned through the MARSHALLS that during the period of occupancy, the BREENS had a maid named MAUD. Through further conversation with the MARSHALLS and subsequent investigation, VEZZANA identified MAUD as Mrs. MAUD SWANSON, nee SAMSEL, who was at that time residing in care of an aunt, MAUD SAMSEL, River Road, Lahaska, Pennsylvania. At least insofar as the report reviewed by Agents was concerned, VEZZANA never interviewed Mrs. MAUD SWANSON. With regard to her, he did learn however, that while working for the BREENS, [REDACTED]

[REDACTED] The above incident of MAUD's [REDACTED] during her employment by the BREENS is mentioned because it may serve to refresh her memory of the period when she worked for the BREENS, during subsequent interview with Bureau Agents.

Further investigation was conducted by VEZZANA to locate the real estate agents since the allegation is that the name ALGER HISS was given to them as a reference by CHAMBERS in connection with renting the cottage at New Hope, Pennsylvania. Mr. THOMAS MARSHALL, owner of the

L/Director from Baltimore.

cottage, advised VEZZANA that the only real estate agents he had used were a Mr. PITCOCK and a Mr. ROBERTS, recalling further that he, MARSHALL, had insisted that a reference be given by any prospective tenant for the cottage. He pointed out that either PITCOCK or ROBERTS would possibly have this information and that although PITCOCK was at the present time seriously ill, the information might possibly be available at his office. There was no further mention of Mr. ROBERTS and no further indication in VEZZANA's report that further investigation along this line was conducted, at least with any positive results.

In his investigative report, VEZZANA also set out the results of an interview regarding HISS with BEN ~~X~~STOLBERG, Hotel Chelsea, 222 West 23rd Street, New York City. The only pertinent information developed by VEZZANA in this interview was to the effect that STOLBERG had learned from LOUIS ~~X~~BUDENZ that in an executive meeting of the Communist Party, HISS had been characterized as all right and a person who could be relied upon. It is believed that the Bureau has obtained similar information regarding HISS directly from BUDENZ.

In this same investigative report, VEZZANA also set out the results of an interview regarding HISS with JAMES ~~X~~LOVESTONE who apparently defected from the Communist Party about 1929, International Ladies Garment Union Building, 1710 Broadway, New York City. In this interview, LOVESTONE stated that he had met HISS subsequent to his defection from the Communist Party but did not mention the circumstances under which he had met HISS. LOVESTONE furnished no information to VEZZANA, according to his report, which would indicate that HISS was or is a member of the Communist Party. Apparently, during this interview, LOVESTONE was rather evasive with VEZZANA, even though VEZZANA pointed out in his report that LOVESTONE had cooperated with Cravath, Swaine and Moore in connection with several previous libel suits involving Time, Inc.

In view of the attitude of HAROLD R. MEDINA, as indicated above from New York teletype of January 25, 1949, it is possible that the same attitude with reference to the Bureau may develop in the relationships of the Baltimore Office with CHAMBERS' Baltimore attorneys, RICHARD F. CLEVELAND and WILLIAM D. MACMILLAN. With this thought in mind, the above information is set out in detail because this source of information for the Baltimore Office may subsequently be terminated also. In view of the circumstances under which the above material was

L/Director from Baltimore.

obtained, it is contemplated that the information will probably not be set out in an investigative report in the same manner or in as great detail.

The possibility exists that the complete reports of the investigation of VEZZANA may contain investigative leads of considerable value to the Bureau. It is suggested therefore, that the Bureau may desire, despite the fact that the New York Office contemplates no further contacts with VEZZANA, to contact VEZZANA for a copy of the report of his complete investigation regarding HISS, for the New York law firm of Gravath, Swaine and Moore. As an alternative, it is suggested that the Bureau may desire to convey this information to Mr. THOMAS J. DONEGAN, Special Assistant to the Attorney General at New York City, with a view to having Mr. DONEGAN issue a subpoena duces tecum for VEZZANA's appearance with the investigative reports before the Federal Grand Jury in the Southern District of New York.

Dear Sir:

Mr. ANTHONY L. MICHEL, attorney, law firm of Gardner, Carton and Douglas, 33 South La Salle Street, Chicago, Illinois, voluntarily advised Special Agent ROBERT J. WILSON, incidental to interview this date, that EDWARD C. MC LEAN of the law firm Debevois, Plimpton and Mc Lean, which firm is representing ALGER HISS in instant case, had advised him by letter of recent date that he was planning to contract for the services of HERBERT J. WALTER, 100 North La Salle Street, who is an expert on handwriting and typewritten documents. Mr. MICHEL advised that MC LEAN had instructed him to make preliminary arrangements with WALTER and that MC LEAN had indicated in his letter that he was going to contact a Mr. FEARON of Pittsburgh, Pennsylvania, for services in a like capacity.

A copy of this letter is being directed to the Pittsburgh Office inasmuch as the Bureau may desire to determine the identity of the Mr. FEARON mentioned in MC LEAN's letter to MICHEL.

RICHARD T. BELL, 1235 Wisconsin Avenue, advised Agent HAWKINS that he was organist in charge of the choir at Christ Church. He stated he had received a letter from Dr. GILLESPIE ARMSTRONG who stated he had been contacted by HISS as to his (ALGER's) son's attendance at the church and participation in the choir. BELL stated he did not answer the letter as he could not recall anyone named HISS. He stated he remembered TIMOTHY HOBSON being in the choir "off and on" about 1935-36. He was not acquainted with either ALGER or PRISCILLA or CHAMBERS.

Mr. AUSTIN KNIGHT, 2303 South 26th Street, Arlington, Virginia, advised Special Agent CARL DeTEMPLE that he was a member of the choir at Christ Episcopal Church and recalled TIMOTHY HOBSON singing in this choir for about two years about eight or ten years ago. He states that to the best of his recollection he knew HOBSON about one year prior to their membership in the same Boy Scout troop and that this association took place while both were members of the choir. It might be noted that twelve years is the minimum age for Boy Scout membership and that KNIGHT having been born in 1926, could not have belonged before 1938. He stated that he could not specifically recall TIMOTHY HOBSON being involved in an accident during their association. HOBSON was injured by an auto in February, 1937. KNIGHT did not know that HOBSON was the step-son of ALGER HISS nor did he know ALGER, PRISCILLA or CHAMBERS.

Philadelphia teletype of January 20, 1949, reflects interview with Reverend J. GILLESPIE ARMSTRONG of Ardmore, Pennsylvania, who stated he only vaguely recalls ALGER and PRISCILLA HISS but states he had visited their home on one or two occasions as a parson.

In view of the fact that it appears HISS may attempt to discredit CHAMBERS' testimony by reference to the statements he has made that HISS was forbidden to attend church, it is suggested New York may desire to point out the information in this letter to Special Assistant to the Attorney General, T. J. DONEGAN.

Report of Special Agent WESLEY A. ANDERSON, January 14, 1949, at Chicago, Illinois regarding interview of Mr. and Mrs. GEORGE H. BLACKWELL. The BLACKWELLS made available a carbon copy of a letter from HISS addressed to Reverend J. GILLESPIE ARMSTRONG dated October 20, 1948. In this letter HISS states he is engaged in demonstrating that statements by CHAMBERS are untrue. He states that one of these "fantasies" was that HISS was forbidden to go to church and that the time to which CHAMBERS would be referring would begin in early Winter of 1935, and extend for a year or two. HISS stated that this coincided with the Spring when he moved to 2395 E Street in Georgetown which would be about the time Reverend ARMSTRONG came to Christ Church.

HISS believed that either in the Spring or Fall of 1935, he and his wife began occasionally to attend Christ Church services and that about that time TIM (TIM ROBSON) became one of the choir boys. HISS continued in the letter that their interest in Christ Church continued as they attended regularly, but that TIM ceased his activities in the choir because of a serious accident on February 19, 1937. HISS asked Reverend ARMSTRONG to write him concerning the attendance of Mr. and Mrs. HISS at the Christ Church and TIMMY's activity in the choir.

In testimony before the House Committee on Un-American Activities, CHAMBERS was asked: "Did he go to church?"

"Mr. CHAMBERS: He was forbidden to go to church.

"Question: Do you know whether he was a member of a church?"

"Mr. CHAMBERS: I don't know."

Reverend JOHN R. ANSCHUTZ, Christ Episcopal Church, Georgetown, D. C., advised Special Agent HERBERT S. HAWKINS that he had been with this church since November, 1944, and that although he did not know the HISSes personally he had heard from members of his congregation, just who he could not recall, that the HISSes had probably attended some sermons at the church and that ANTHONY HISS had attended Sunday School for a time. A systematic search of the church records failed to disclose any record or correspondence of the HISSes and Reverend ANSCHUTZ stated this indicated they had no official connection with the church.
